

Name _____

Date _____

Four students each play one sport after school. Each student has practice on a different day and wears a different color jersey.

Use the clues to find each student's day and jersey.

Clues

1. The student who wears the red jersey has practice on Tuesday or Thursday.
2. Ella does not have practice on Monday.
3. Either Omar or Jack has practice on Tuesday.
4. The student who has practice on Tuesday wears the purple jersey.
5. Omar has practice on Thursday.
6. The student who wears the blue jersey has practice on Monday or Thursday.

		Day				Jersey			
		Monday	Tuesday	Wednesday	Thursday	purple	red	blue	black
Name	Ella								
	Ivy								
	Jack								
	Omar								
Jersey	purple								
	red								
	blue								
	black								

Answers

Ella

_____ day
_____ jersey

Ivy

_____ day
_____ jersey

Jack

_____ day
_____ jersey

Omar

_____ day
_____ jersey

Three grids, one answer

A • joins two things, so they share every other mark. When you find a •, look along both of its lines into the other grids and copy each X and • from one to the other.
