# Fruit Stand Make a Fact

**Division to 50** For 2 players. You need 2 colored pencils.

1. Take turns. Color 3 squares that make a division fact.
2. Use one number from each box, like 21 ÷ 3 = 7.
3. A colored square cannot be used again.
4. Stuck? Your partner can show you one.
5. Nobody can make a fact? The last player who did wins.
