

Bakery Make a Fact

Multiplication to 100

For 2 players. You need 2 colored pencils.

- 1 Take turns. Color 3 squares that make a multiplication fact.
- 2 Use one number from each box, like $7 \times 3 = 21$.
- 3 A colored square cannot be used again.
- 4 Keep playing until nobody can make a fact.
- 5 The last player to make a fact wins.
