On the Go Four in a Row

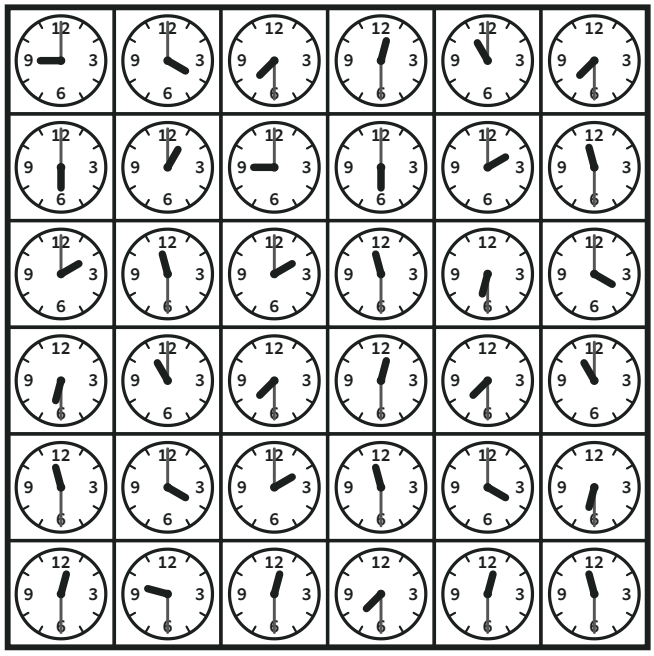

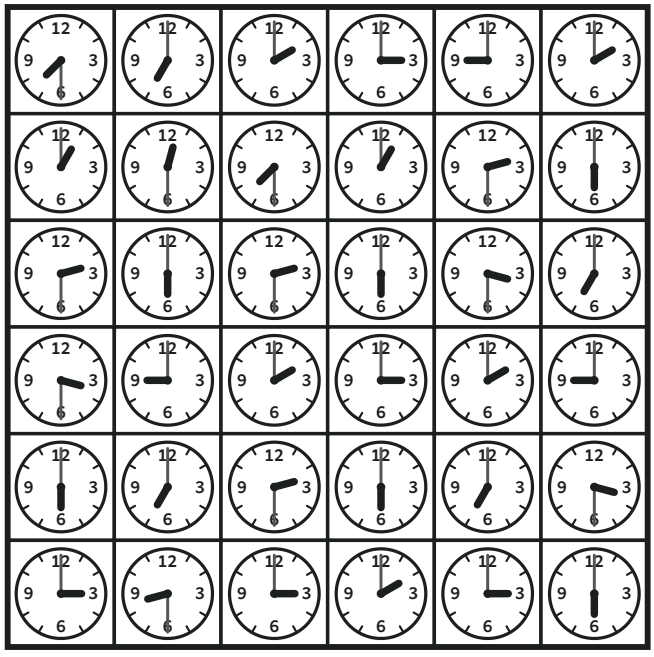

Hour and half hour For 2 players. You need 2 dice and 2 colored pencils.

1. Roll two dice and add them.
2. Find your total in the chart: it gives a time.
3. Color one clock that shows that time.
4. No clock left for that time? Your turn is over.
5. Get four in a row (any way) to win.

8 means 12:30
Color a clock for it.

Game 1

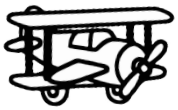

Winner: _____

Total	Time
2	9:30
3	9:00
