Fen sat by the pond. Zed had a map.

"Dig at the red dot," said Zed. "You will find a big box!"

But that was a fib.

Fen dug and dug, but she just got sand. Fen was sad.

Zed did not like that. He got his best tin cap from his nest. He hid it in the pit.

Fen dug in the pit. Tap! "A cap!" said Fen.

"The box was a fib," said Zed. "But the cap is for you."

Fen put it on.
