The Amazon River

Name _____ Date _____

Word bank

Amazon River Andes Mountains Atlantic Ocean Belém Bolivia Brazil Colombia Ecuador Equator Iquitos Japurá River Juruá River Madeira River Manaus Marañón River Pacific Ocean Peru Purus River Putumayo River Rio Negro Tapajós River Ucayali River Venezuela Xingu River

Label the rivers, cities, countries and oceans. Then trace the dashed line: it is the edge of the Amazon basin, all the land whose rain drains into the Amazon.
