Staying With My Class

The whole story on one page: keep it on a desk, in a binder or on the fridge.

1 At school, I stay with my class. My teacher needs to know where I am.

2 When my teacher knows where I am, my teacher can keep me safe.

3 Sometimes the room feels too loud or too busy. I might want to leave. That is okay.

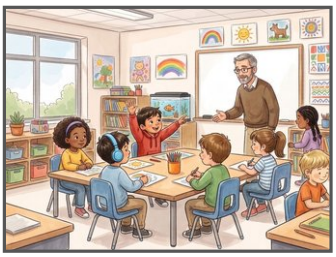

4 Sometimes I see something fun, and I want to go to it right away.

5 When I want to leave, I can tell my teacher. I can say or show: I need a break.

6 My teacher can help me find a quiet place to rest.

7 When I want to go see something, I can ask first.

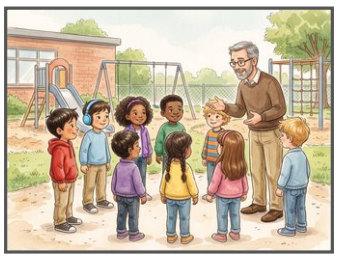

8 My teacher might say yes, or not right now. Either way, my teacher knows where I am.

9 In the hallway, I stay with my group.

10 At recess, I play where a grown-up can see me.

11 When I stay with my class, my teacher knows where I am.

12 I stay with my class. My teacher and I keep me safe together.
