10 _____

◆ WORD BANK ◆

Aqueduct	Templo Mayor	Causeway	Canal
Chinampas	Tlatelolco market	Lake Texcoco	
Sacred precinct	Nezahualcoyotl's dike	Moctezuma's palace	

1. **Find a causeway. The reading says the city had three main ones. Where did each one lead? Why were there gaps with wooden bridges?**

2. **Find the aqueduct. Where did its water come from? Why did a city surrounded by water need it?**

3. **Find the long dike to the east. About when was it built, and what did it protect the city from?**

4. **Find the canals and the chinampas. How did canals and canoes help feed about 200,000 people with no wheels for work or pack animals?**
