

Help Them Get Home

Name _____

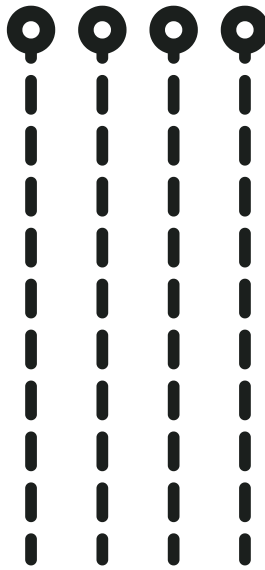

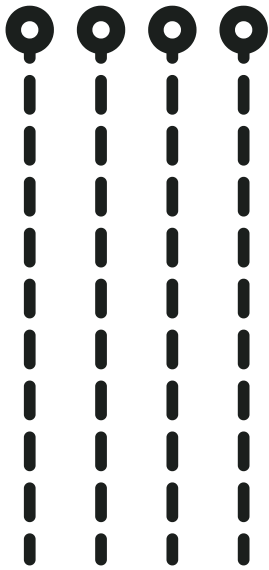

Put your pencil on the big dot. Follow the line all the way to the end. Then color the pictures.

Make It Rain

Name _____

Start at each big dot. Trace the rain straight down from the cloud to the flower.

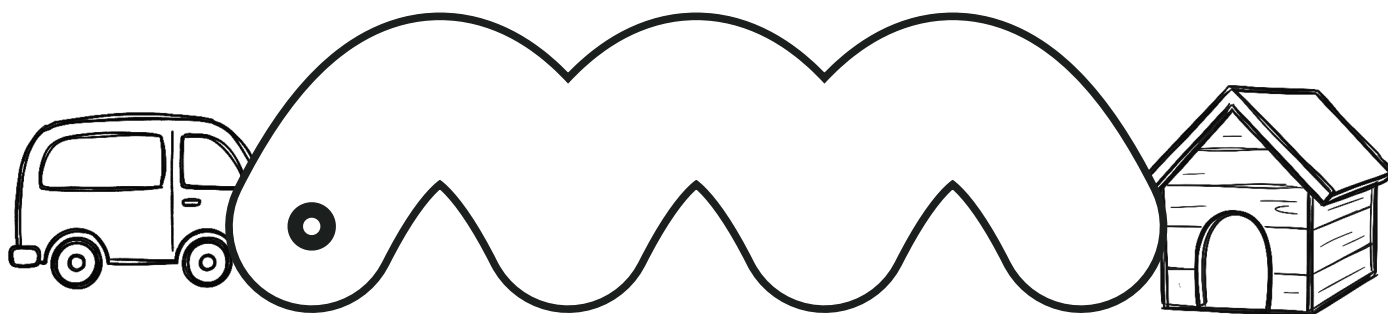

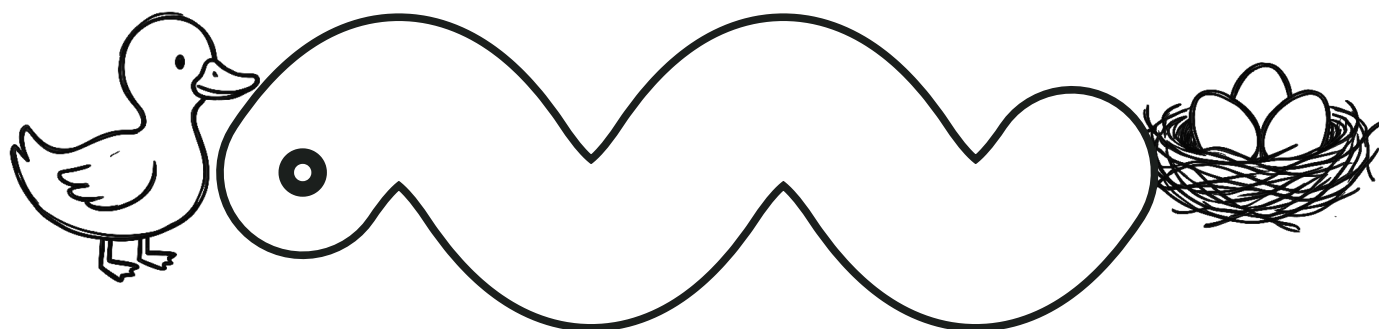

The last cloud is yours: draw its rain down from each big dot.

Stay on the Road

Name _____

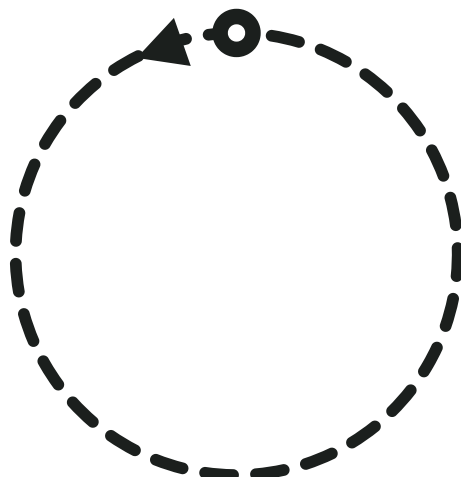

Draw a line down the middle of the road. Try not to touch the sides!

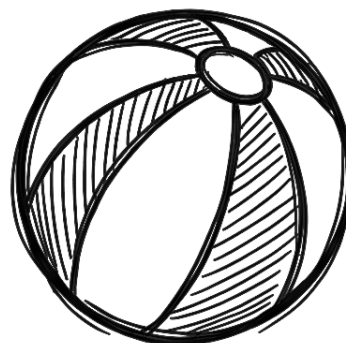

Circles

Name _____

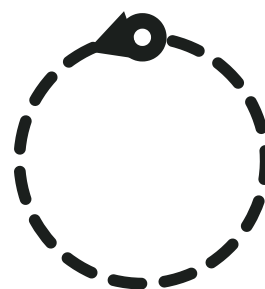

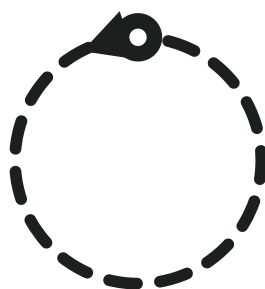

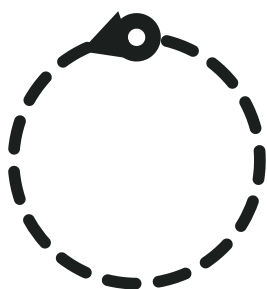

Start at the big dot. Follow the arrow all the way around. Stop at every corner.

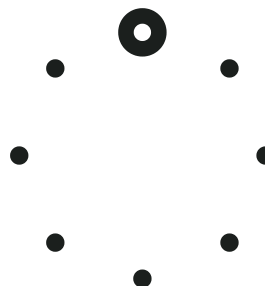

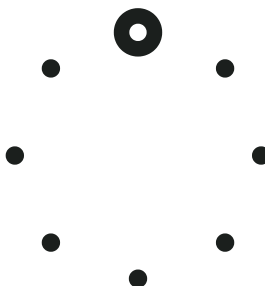

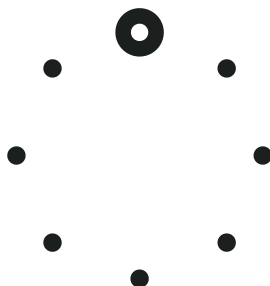

circle

like a ball

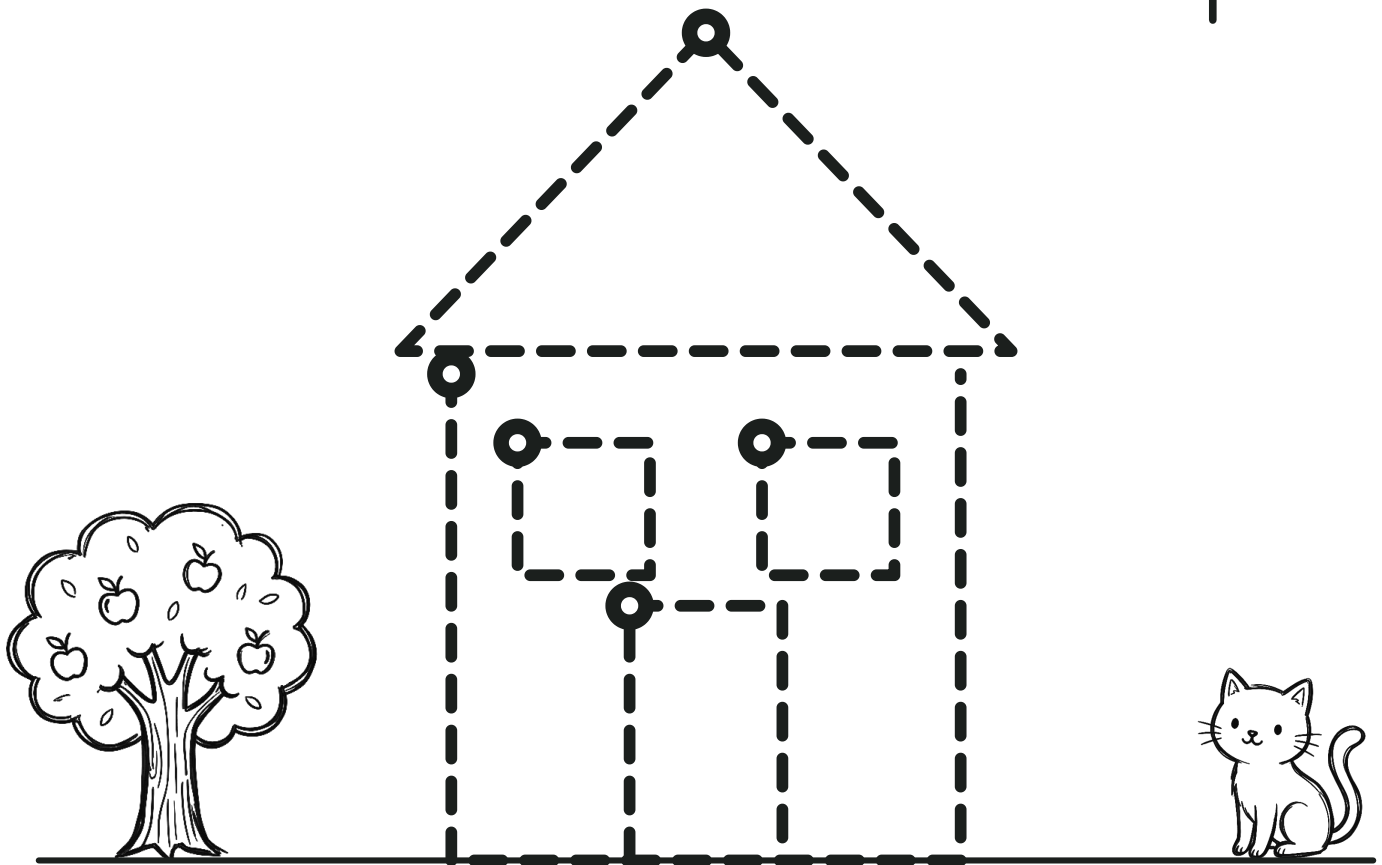

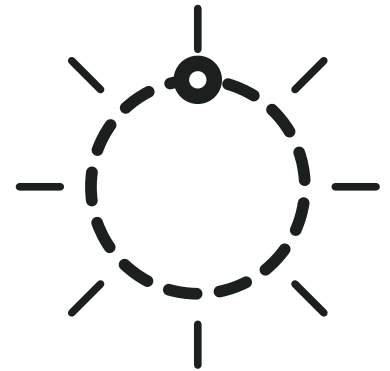

Now connect the dots to make your own.

Build a House

Name _____

Trace the shapes to build the house: the roof, the walls, the door, the windows and the sun.

square

triangle

rectangle

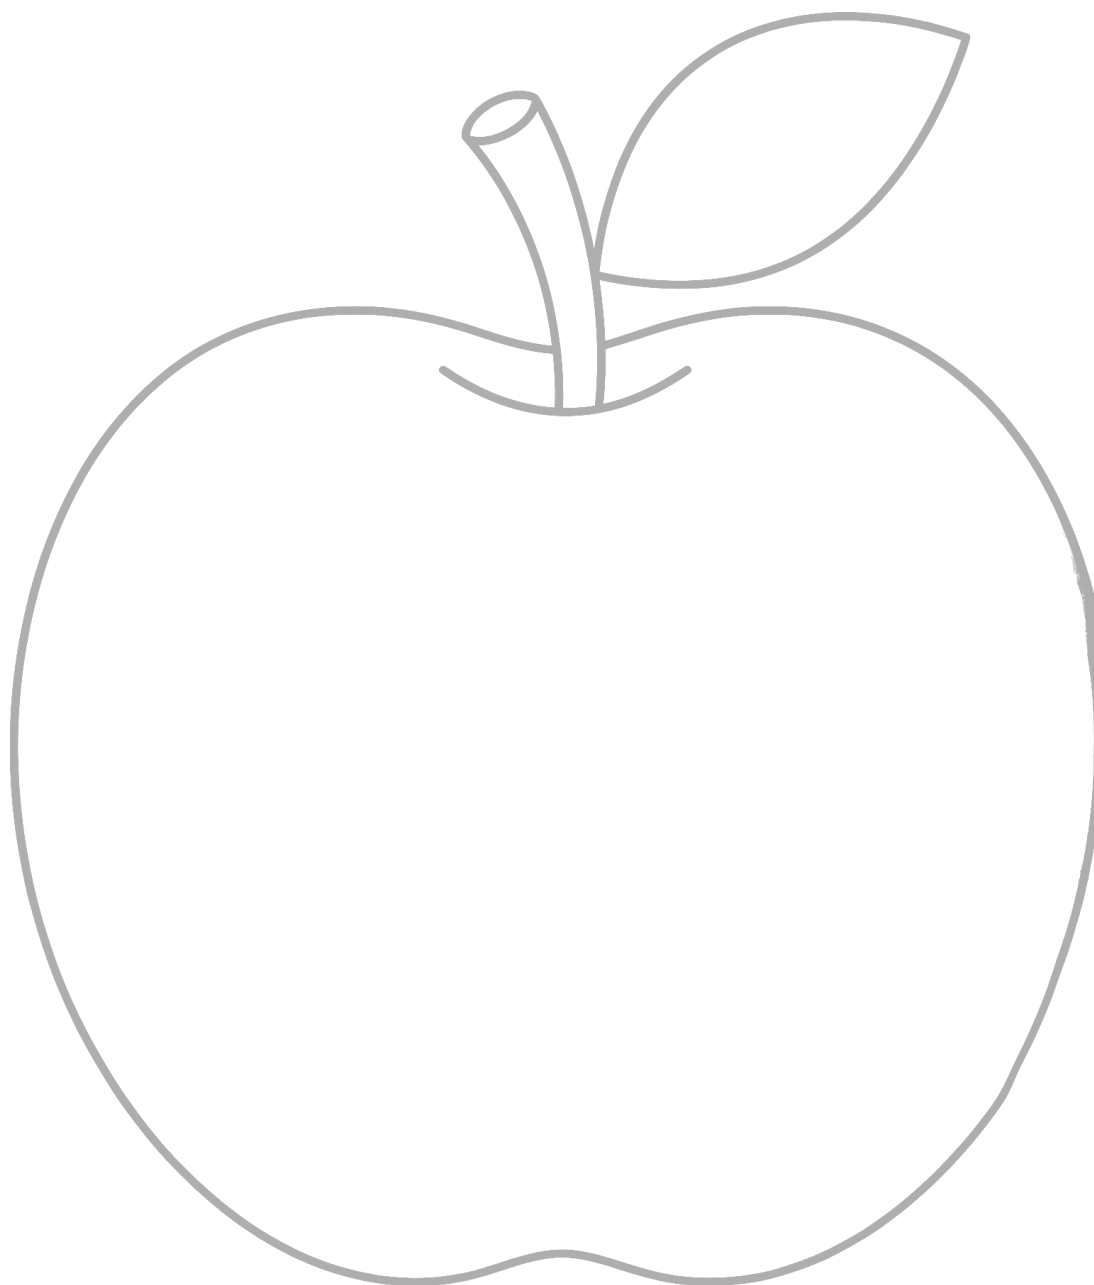

circle

Start at each big dot. Stop at every corner. Then color your house!

Trace the Apple

Name _____

Trace the gray lines with your pencil. Go slowly and stay on the line.

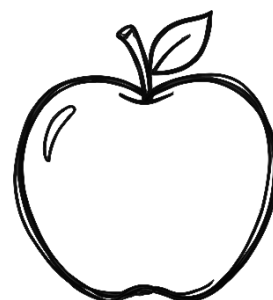

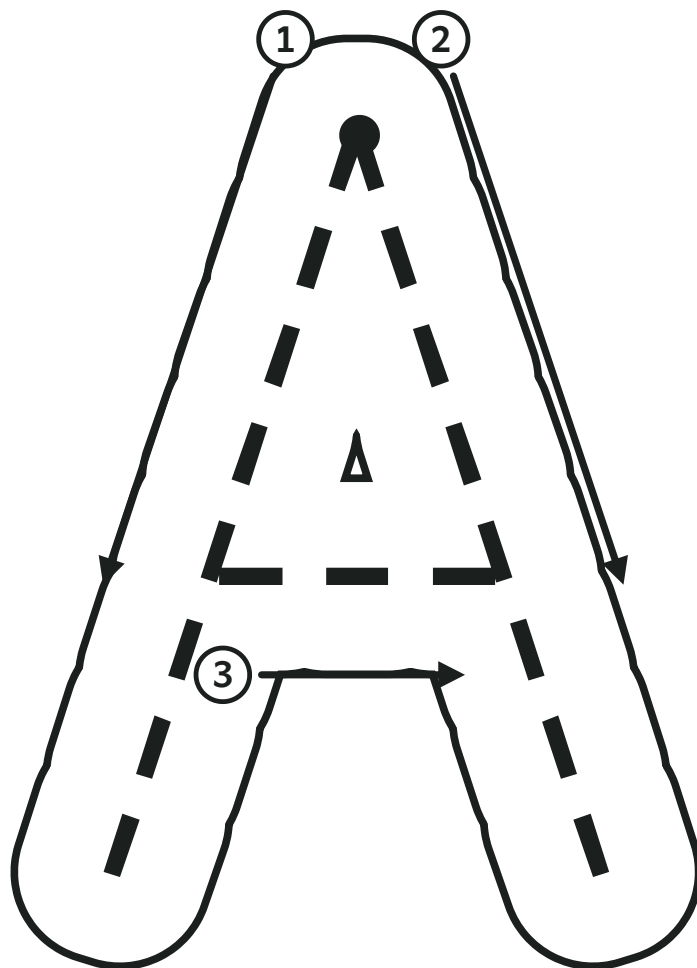

Go over every gray line. Then color it in!

A Is for Apple

Name _____

Trace the big A with your finger, then your pencil. Follow the numbers. Then trace the row.

Apple

Slant down. Slant down. Across.
