

Vocabulary Flashcards

Cut along the solid lines. Fold each card in half on the dotted line, so the word is on the front and its meaning is on the back.

front	back
structure	How something is built or organized so that it holds together. The essay's clear structure made each argument easy to follow and understand.
front	back
component	One of the separate pieces a machine or system is built from. Each component of the engine must work correctly for the car to run.
front	back
framework	A basic supporting system of ideas or rules. The teacher gave us a framework for planning our research projects effectively.
front	back
element	A basic ingredient or quality that something needs to have. Trust is a key element of any lasting friendship.
front	back
category	A group of things sharing similar features. We sorted the books into a category for fiction and one for science.

Vocabulary Flashcards

Cut along the solid lines. Fold each card in half on the dotted line, so the word is on the front and its meaning is on the back.

front	back
hierarchy	A ranked system with levels of importance or power. In the company hierarchy, managers report to directors above them.
front	back
aspect	One feature of a subject or situation that you can think about on its own. The most challenging aspect of the exam was the timed essay section.
front	back
dimension	A measurable extent or particular side of something. Adding music gave the film an emotional dimension it previously lacked.
front	back
context	The surrounding circumstances that give meaning. Understanding the historical context helped us interpret the old letter correctly.
front	back
constitute	To be the pieces that together form a whole. Twelve students constitute the entire debate team this year.

Vocabulary Flashcards

Cut along the solid lines. Fold each card in half on the dotted line, so the word is on the front and its meaning is on the back.

front	back
integral	Necessary and essential to completeness. Practice is integral to becoming a skilled musician.
front	back
comprise	To contain or include as its members or sections. The committee comprises five teachers and two students.
front	back
systematic	Done using an organized, methodical plan. She took a systematic approach to cleaning her cluttered room.
front	back
cohesive	United and working well as a whole. A cohesive team communicates clearly and trusts one another.
front	back
configuration	The specific layout or setup chosen for a group of things. We changed the configuration of desks to encourage group discussion.
