

**PUT THE STEPS IN ORDER**

Without looking back at the steps page, write 1 to 6 in the boxes to show the order of the steps.

1. Why must the mudbricks dry in the sun before workers build the core?

---

---

2. Why were baked bricks used only for the outside skin, not for the whole tower?

---

---

3. Mesopotamians built with brick, not stone. Use the Geography and Economy reading to explain why.
